

**ANIMAL, VEGETABLE, MIRACLE*****CHAPTER ONE EXCERPT-CALLED HOME***

<b>Quote or Term</b>	<b>Your opinion, thoughts, definition, or examples used in text</b>
“Even bigger gas guzzlers on the farm are not the machines, but so-called inputs.”	
“Each food item in a typical U.S. meal has traveled an average of 1,500 miles.”	
“Becoming a less energy-dependent nation may just need to start with a good breakfast.”	
“When we give it a thought, we mostly consider the food industry to be a <i>thing</i> rather than a person.”	
“CAFO”	
“HFCS”	
“About a third of all our calories now come from what is known, by community consent, as junk food.”	
“A food culture is not something that gets sold to people. It arises out of a place, a soil, a climate, a history, a temperament, a collective sense of belonging.”	
“...but the Carolina barbecue will almost certainly have California tomatoes in its sauce...and the Louisiana gumbo is just as likely to contain Indonesian farmed shrimp.”	

## AVM CHAPTER ONE FOOD CULTURE ASSIGNMENT

### Directions:

Part One: Using your selected country, create a PowerPoint, Prezi, Blog post, or Poster showing samples of their culture and explain how agriculture is key component to their food culture.

Part Two: Add the end of the PowerPoint, use one slide to create a collage that shows your idea of what our food culture in the US currently would be.
